

INSIGHT GIVEAWAYS

100% Certified Organic Virgin Coconut Oil by Nui

The healthiest of oils, Coconut Oil has anti-viral, anti-fungal and anti-bacterial properties and contains lauric acid, the most important essential fatty acid in building the immune system. Coconut Oil is also attributed with lowering bad burn unwanted fat. Nui's 100% certified organic virgin coconut oil is ideal for cooking, baking, frying or spreading. It is delicious enough to eat straight from a spoon.

We have two sets (RRP \$244) to giveaway.

Low Preservative / Low Allergy Wines by Monahan Estate Wines

Monahan Wines is a boutique vineyard in the Hunter Valley growing flavourful high-quality grapes that are made into table wines of the utmost purity. Monahan Wines has a specific focus on making low-allergy (hypo-allergic) wines. These wines are made with a minimum of allergic additives. One of those allergic additives is sulphites, which is also known as Preservative 220 or Sulphur Dioxide.
