Sylk Natural Lubricant

[Geneva Marketing] RRP \$11.95 40g
www.sylk.com.au
 P 1300 655 495

Women are often shocked to discover just how many petrochemicals and harsh synthetics are still allowed as ingredients in personal products (particularly those for use in sensitive internal areas), and especially as we're getting fussier with our food products. So if you'd rather avoid ingredients like Propylene Glycol and Paraben preservatives, Sylk – made from plant extracts, including the kiwifruit vine – is the ideal, natural solution. Sylk with a 'y', as in 'absolutely y not try it', and see for yourself! You'll be extremely happy at the difference that sensual Sylk can make to you and your partner's love life.

Sandalwood Deep Rub

[Mount Romance] RRP \$25.95 60ml
www.mtromance.com.au
 P 1300 785 044

Sandalwood Deep Rub is an all-natural blend of concentrated herbal oils, including Australian Sandalwood Oil, Menthol, Eucalyptus, Wintergreen and Melaleuca. The Deep Rub may reduce joint inflammation and increase joint mobility, plus provide temporary relief from joint and muscular pain, tension headaches, sprains and lower back pain. Historically, sandalwood oil has long been associated with anti-inflammatory properties. Today, as an aromatherapeutic formula, the pure Australian sandalwood oil of Mt Romance's NEW sandalwood range sets it apart from all others. Sandalwood oil has a wide following for its ability to soothe the senses, refresh the mind, and revitalise the spirit.

Lupin+ Formula

[Appetite Right] 400g RRP \$27.50
 P 1300 307 646
www.appetiteright.com.au

Appetite Right is a new, natural, appetite control company. Do you feel your appetite, emotions, and cravings cause you to overeat? Research says you're not alone. Lupin+ Formula is specifically designed to help reduce cravings and the need to snack. The premium Lupin+ Formula is all natural and combines the advanced nutritional benefits of LKF (Lupin Kernel Flour), Hi-Maize® Resistant Starch, and Soy Protein Isolate. Plus it contains no gluten, animal products, wheat, preservatives, artificial flavours, colours, and no added sugar or salt. It enhances the nutritional content of meals without compromising taste, texture or appearance. Adding Lupin+ Formula to everyday meals is an effortless way to lose weight without dieting.

Link Organic Candies

[Confectionery Link] RRP \$3.99 - \$4.99 100g
 P 03 9824 8133
www.confectionerylink.com.au

Enjoy sweet treats minus any of the guilt with Link Organic Confectionery. These delicious, organic candies are naturally sweetened with low GI brown rice syrup and cane juice, and are gluten free, preservative free and kosher. Plus they come in recyclable packaging. Link Organic candies don't have any of the usual health-detrimental additives, containing: no trans-fats, no corn syrup, no FD&C colours and no hydrogenated oils. Certified by OAI, the ingredients in the Link Organic range are carefully sourced to ensure their excellence and organic integrity. Organic food is produced without artificial fertilizers, genetic modification, irradiation or conventional pesticides. Available in supermarkets, health food stores and pharmacies, Link Organic Confectionery is an excellent alternative for consumers who prefer healthier snacks.

Gardenia Monoi

[Monoi Australia] RRP \$28.00 125ml
 P 0422 881 675
www.monoi.com.au

Used and perfected over the last 2000 years, the sacred cosmetic oil from the French Polynesian Islands, Monoi de Tahiti, is now readily available in Australia. Monoi de Tahiti has been scientifically studied and proven for its benefits as a natural skin and hair care treatment. This traditional beauty treatment does not contain any preservatives, petrochemicals, animal products or animal by-products. Protected by an international decree to guarantee its origin and manufacturing process, Monoi de Tahiti's versatile benefits range from a mesmerising lingering Gardenia scent on the skin, to repairing damaged hair fibres. Able to moisturise the skin for up to 8 hours after application, Monoi de Tahiti firms the skin, leaving it soft and protected against the ravages of our harsh environment.
